bic
antibacterial
laminate

Our company, Milton Industries Limited is an ISO 9001:2015 certified company and engaged in manufacturing of Laminates, Artificial Leather cloth and Glass Fibre Reinforced Epoxy (GFRE) Sheets in the state of Gujarat. We are manufacturer and exporter of premium quality high-pressure laminates, industrial Laminates, laminated board, flooring laminates, artificial leather cloth, GFRE sheets and other allied products. Our superior quality laminates can be used on walls, doors, windows, cupboards, tabletops, hotels, cash counters, kitchens, etc. Initially, our company was engaged in manufacturing of laminates and further diversified in manufacturing and export of artificial leather cloth, GFRE sheets, DGFRP, CCL and NAFTC.

Our development process includes design, development, testing, manufacturing and delivery. Our progressive management and cutting edge production technology contribute to our ability to provide our customers with exceptional value in a highly competitive industry. Also, our manufacturing facilities are equipped with modern infrastructure and sophisticated machines backed by untiring efforts in the field of research & development and high quality consciousness. We also have the capacity to develop, design and produce any engineered laminates, artificial leather cloth and GFRE sheets as per customer's specifications.

Our customer base is spread all over India and in various countries such as UAE, Qatar, Oman, Kuwait, Kenya, Tanzania, Taiwan, South Africa, Sri Lanka, Turkey, United Kingdom, Bangladesh & Australia.

about the company

art of nature

Nature is a motivation and inspiration in various ways than one, and here's an amazing and awesome display of products that have been procured from the finest bits that nature has to offer.
