### Management Discussions And Analysis

#### Forward-Looking Statements:

This report contains forward-looking statements based on certain assumptions and expectations of future events. The Company, therefore, cannot guarantee that these assumptions and expectations are accurate or will be realized. The Company's actual results, performance or achievements can thus differ materially from those projected in any such forward-looking statements. The Company assumes no responsibility to publicly amend, modify or revise any forward looking statements, on the basis of any subsequent developments, information or events.

#### Structure and developments:

Laminate Industries is a very new industry around the globe & started in India in 1950s. The Milton established in 1985 at that time there was hardly 8-9 units on PAN India. The Exponential growth of industries was in last 20 years and now it is around 190 Units are working out of which 100 Units are in Gujarat only.

India is the largest producer & Exporter of decorative laminates in world. The product is widely replacing the Surfacing of other materials because of its inherent qualities.

As Milton always prefer innovations in industry since its inception. We introduce many new derivatives of Laminates, Artificial leather ( To Go Green Artificial leather is replacement to natural leather to save mother earth ) special light weight panels of composite materials including Aluminum honeycomb panels supplying to India railways for passenger coaches, resulting in saving of dead weight of Coach hence saving the fuel/energy and planning to introduce more new products to line.

#### Opportunities, Threats, Risks and Concerns:

Still there are many new area where the Laminates & Artificial leather & light weight panels can be used in interiors & have a leverage over all other similar products because of Charming appearance at very low maintenance, termite proof fire retardant & easy at low maintenance to apply

#### Risk & Concerns:

Unfortunately many players in the Industry, working Unethically and always compromise with Quality for want of price war, which sometimes bite the Growth of Industry and also the manipulation of prices, our raw material manufacturers and suppliers keep unwanted pressure & on the top that Government encouragement for Export is almost negligible rather an imports of some raw materials government put anti- dumping, safeguard duties etc. worked as instruments to increase the input costs.

**Recent trend & Threats applications:****Trend:**

Apart from interior, the applications goes to Exterior like replacement to ACP (Aluminum Clamed panels), another application is Washroom cubical, Kitchen Tops & Modules Kitchens, These are the new area to be taped (Including Indian Army and Military Supply)

**Threats:**

The only problem faced by the industry is shortage of Manufacturers of our raw material like Base paper, Melamine, phenol. The future of this industry is quite bright & the skilled workforce available in India for this product better than other countries, despite the fact that there is no institutions / Universities around the globe which give degree or diploma for Laminate Industry which is irreversible process, on the contrary industry has to pay for its proper disposal.

**Material development & Industries relations:**

We have very good relations with all of our competitors & proud to be founding member of ILMA (Indian laminate manufacturing Associations) our Director are on Board of ILMA & also legal Advisor to them.

**Internal Controls and Their Adequacies:**

The internal control system is intended to increase transparency and accountability in an organization's process of designing and implementing a system of internal control. They have been designed to provide reasonable assurance with regard to recording and providing reliable financial and operational information, complying with applicable statute, safeguarding assets from unauthorized use, executing transaction with proper authorization and ensuring compliance of corporate policies. We have one of the only and best Fire testing lab with us for 3 stage quality checks i.e Raw materials, Intermediate products, and Final products and we have some unique testing equipment within the lab that have no other competitor in their lab.

**Human Resources/ Industrial Relations:**

The Company believes and recognizes that its employees are a vital resource in its growth and to give competitive edge in the present business scenario. The companies have been consistently investing in employees across all levels, in various ways. ## **INDEPENDENT AUDITOR'S REPORT**

To,  
The Members of,  
Milton Industries Limited  
(CIN: L20299GJ1985PLC008047)

### **Report on the Audit of the Financial Statements**

#### **Opinion**

We have audited the financial statements of Milton Industries Limited ("the Company"), which comprise the balance sheet as at 31st March 2021, the statement of Profit and Loss, and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("The Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and profit and its cash flows for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the other Key matters described below to be the key audit matters to be communicated in our report.

| Key Audit matter   | How our audit addressed key Audit matter   |
|--|--|
| <b>Evaluation of Direct tax litigations</b> (As described in Note 35 of the accompanying financial statements)<br><br>The Company has material direct tax litigations which involve significant judgment to determine the possible outcome of these disputes and accordingly it is considered at key audit matter. | We have obtained details of completed tax assessments and demands / claims as at 31st March 2021 from the management. We assessed the completeness of the details of these claims through discussion with senior management personnel. We have also reviewed the outcome of the disputed cases at various forums. We have also assessed the appropriateness of presentation of the contingent liabilities in the financial statements. |

### Emphasis of Matter

As more specifically explained in note no.37 to the financial statements, the Company has considered internal and external information and has performed an analysis based on current estimates while assessing the provision towards employee benefits, trade receivables, investments and other current and financial assets, for any possible impact on its capital and financial resources, profitability, liquidity position and internal financial reporting controls and is of the view that based on its present assessment this situation does not materially impact these financial Statements. However, the actual impact of COVID-19 on these financial Statements may differ from that estimated due to unforeseen circumstances and the Company will continue to closely monitor any material changes to future economic conditions.

We draw the attention to note no 36 to the financial results which indicate that the company has shown Rs. 3.91 crore receivable as short term loans & advances with a company in which there is a disagreement regarding the tenure. The Company has taken legal action/recourse and is examining other options for recovery. Interest there on, as matter of prudence, has not been provided in accounts. During the year company received part payment for the said loan & advances and interest is also reversed as per the resolution passed in the Board Meeting.

We draw attention to Note 38 to the financial statement which states that pursuant to a Resolution of the Members of the Company passed at Annual General Meeting held on 30.09.2019 the Authorized Share Capital of the Company has been increase from Rupees Seventeen Crores divided into One Crore Seventy Lakhs equity shares of face value of Rupees Ten each to Rupees Eighteen Crores divided into One Crore Eighty Lakhs equity shares of face value of Rupees Ten. The Company has not filled relevant forms with Registrar of Companies. Hence Authorized Share Capital has been shown as Rupees Seventeen Crores divided into One Crore Seventy Lakhs equity shares of Rupees Ten each.

Our opinion is not modified in respect of this matter.

### **Information other than the financial statements and auditors' report thereon**

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Management's Responsibility for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating

effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in

- (i) Planning the scope of our audit work and in evaluating the results of our work; and
- (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance withal statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless

law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Our report is not modified in respect of these matters.

### **Report on Other Legal and Regulatory Requirements**

As required by the Companies(Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure "A" statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
- (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;

## **Annexure “B” to the Independent Auditor’s Report**

**(Referred to in paragraph (f) under ‘Report on other legal and regulatory requirements’ section of our report to the Members of MILTON INDUSTRIES LIMITED of even date)**

### **Report on the internal financial controls over financial reporting under clause (I) of sub – section 3 of section 143 of the Companies Act, 2013 (“theAct”)**

We have audited the internal financial controls over financial reporting of Milton Industries Limited (“the Company”) as at March 31, 2021, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management’s responsibility for internal financial controls**

The board of directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors’ responsibility**

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the standards on auditing prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control system over financial reporting.

#### **Meaning of internal financial controls over financial reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Limitations of internal financial controls over financial reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management of override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## **Opinion**

In our opinion and according to the information and explanations given to us, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

If any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs.

An impairment loss is recognized in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

**h) Foreign currencies transaction and translation:**

Transactions in Foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognized in Statement of Profit and Loss except to the extent of exchange differences which are regarded as an adjustment to interest costs on foreign currency borrowings that are directly attributable to the acquisition or construction of qualifying assets, are capitalized as cost of assets.

**i) Cash flow statement:**

Cash flows are reported using the indirect method, whereby profit/(loss) after tax is adjusted for effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipt or payments. The cash flows from operating, investing and financing activities of the company are segregated based on the available information.

**j) Earnings per share:**

Basic earnings per share is computed by dividing the profit after tax by weighted average number of equity shares outstanding during the year.

Diluted earnings per share is computed by dividing the profit after tax as adjusted for interest and other charges to expense or income relating to dilutive potential equity shares, by the weighted average number of equity shares considered for deriving earning per share.

**k) Investment:**

Non-Current Investments are stated at cost price. Provision for diminution in the value of non-current investment is made only if such a decline is other than temporary in the opinion of the management.

**l) Contingent liability:**

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non – occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably.
